Ertek Cam olarak Cam uygulamalarımızın yanı sıra dekoratif anlamda da **özel tasarım cam** işlememiz bulunmaktadır.

Cam işleme merkezi olarak firmamız **yurt dışından getirdiği özel cam boyaları** sayesinde **Flexi Vitray** tekniği ile dekoratif anlamda mekânınıza değer katıyor. Firmanızın logosu, maskotu veya sizin için hazırladığımız özel tasarımlar sayesinde camda uygulayacağımız bu sistem mekânınıza **canlılık ve farklılık** katacaktır.

Flexi vitray sistemi (**tamamen el işçiliği**) cam boyama ile **camın kullanıldığı her alanda** (Dış cephelerde, iç dekorlarda, panolarda, tabloları, mutfak tezgâh aralarında, barlarda, katlanır camlarda, ısıcamlarda, sehpalarda, ara bölmelerde duvar panellerinde, tavan dekorlarında, ışıklandırma sistemlerinde, aynalarda vs...) istediğiniz desen ya da figürü camın üzerine işlemekteyiz. Camdan ziyade **ahşap** (mdf, suntalem vs) malzemeler üzerine de benzer uygulama yapılmaktadır. Görsel olarak birebir cam etkisinin yanında tamamen **saydam** bir görüntü elde edilebilir. Boyama sistemine göre de **opaklaştırılabilir**. Ayrıca **renklerin canlılığıyla** görsel olarak tatmin edici bir görüntü sağlanır. Minimum **10 yıl garanti** süresi ve **akma, düşme veya solma** gibi sorunlar olmamaktadır.

Tasarım ekibimiz ile mekânınıza farklılık katmak adına **özel çalışmalar** hazırlayabilir bunun yanı sıra kendi tasarımcılarınız ile **ortak** hareket ederek istenilen uygulamayı da hazırlayabiliriz.

Flexi vitray sisteminin yanı sıra cam işleme sistemlerimiz ve özel tasarım çalışmalarımız ile daha yaratıcı çözümlerde geliştirebiliriz.
